# We Need Paint-Please Help!

*My students need oil and acrylic paint for their painting class.*

## My Students

We have been blessed with a large number of students signing up for art courses. So much so that this year the administration decided to add a fourth art teacher to our school since nine more sections of art made it more than we could handle. That is unheard of in our city.

*My students amaze me year after year.*

Grades 9-12

El Dorado High School

Even when they walk in at the beginning of the year, timid and uncertain about their abilities, they are more talented than they realize. What we lack more often than not are the supplies they need to make their ideas come to life.

## My Project

I teach Art I, Sculpture, and IB courses. Every single one of these classes uses paint. I have requested acrylic paint for our mural projects and for classroom painting assignments. We would like these supplies so that we can do color theory, paint our sculptures, and work on some murals to beautify our school. The students will first learn how to mix colors, then they will paint their own pieces, and will then be ready to paint murals on our school walls.

*Your donation to this project means that we will have the resources we need to paint.*

With these resources, oil and acrylic paint, our students will create pieces that will get them scholarships, boost self-esteem, give them a reason to be excited about coming to school, make their parents proud, win them awards, help them to create portfolios that will get them into college, and teach them things they never thought they would know.
